

PRIVATE GARDENS

OF THE MONARO

Terms and Conditions

Please read carefully and abide by the terms and conditions below

Hazeldean, Shirley and Curry Flat gardens, are typical of large country gardens, and have the following hazards:

water (ponds and lakes), retaining walls without barriers, uneven ground, steps and fences and presence of livestock in adjacent paddocks.

We have conducted a risk assessment of each garden to identify risks and provided signage advising of potential hazards.

Tour Participants are required to have a reasonable level of fitness, be able bodied, able to use steps and walk on uneven ground without supervision or assistance. Tour Participants must wear suitable walking shoes with a good grip, and bring a coat and umbrella in case of bad weather.

The gardens are all part of large livestock farms – for the well-being of Tour Participants and the animals do not approach any livestock or paddocks where there are animals.

Toilets on each property are septic systems and Hazeldean, Shirley and Curry Flat do not have disabled toilet facilities. These are available in Cooma (Centennial Park), and Nimmitabel (Lake Williams). Tour Participants who need to use the toilet facilities at the properties do so at their own risk.

It is an express condition of entry by each Tour Participant that each Tour Participant does hereby for that person, that person's executors and assigns, next of kin and each of them, release, waive and discharge the owners and occupiers of the gardens respectively described in the Schedule to these terms and conditions, their agents and employees of and from all liability, claim or demands for any injury, loss or damage of any kind to the Tour Participant's person or chattels whilst upon any of the properties referred to in the Schedule to these terms and conditions.

Each separate entry by a Tour Participant to a property and garden described in the Schedule to these Terms and Conditions is deemed a separate contract for visiting purposes with the owners and occupiers of the relevant property and garden as set out in the Schedule to these Terms and Conditions.
